Attention: Health Care Providers

## **RE: NEW OUTBREAK NOTIFICATION FORM**

A new OUTBREAK NOTIFICATION FORM has been created to summarize current outbreak activity for all facilities within the Haliburton, Kawartha, Pine Ridge District Health Unit area. **The Outbreak Notification Form will be faxed when an outbreak is declared, a causative organism is identified and/or an outbreak is declared over.**

We hope that you will find this new summary form beneficial as we continue to work toward improving our services. If you have any questions, please call the Health Unit and ask to speak with a nurse in the Communicable Disease Control, Epidemiology & Evaluation Department.

Please find a copy of the new Outbreak Notification Form attached. It will be implemented **April 1.**
