

**Haliburton, Kawartha, Pine Ridge District Health Unit RRFSS
(2007) Animal Immunization**

Proportion of households who have had all their dogs immunized in the past 12 months, RRFSS September - December 2007

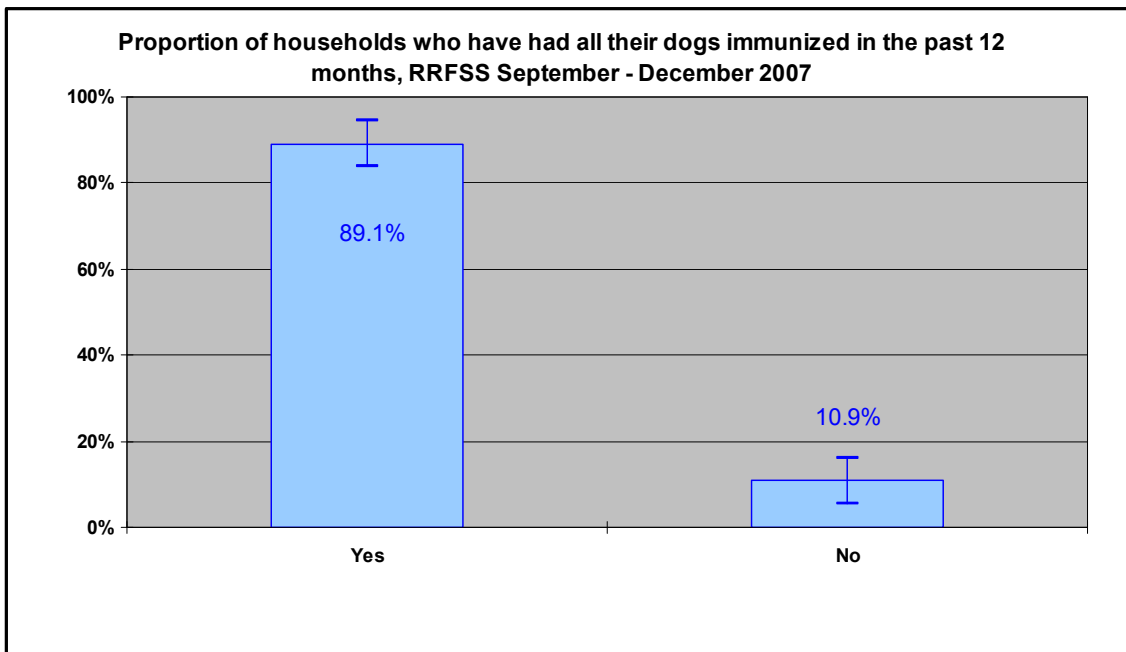

Table 1: Animal Immunization (dogs)

Households with all dogs immunized	Proportion	95% upper confidence limit	95% lower confidence limit
Yes	89.1%	94.5%	83.8%
No	10.9%	16.2%	5.5%

* Interpret with caution, high variability
** Data not released

sample size 129

Figure 1: Animal Immunization (dogs)

Interpretation:

89.1% (+/-5%) of households with dogs report having had all their dogs immunized in the past 12 months.

10.9% (+/-5%) of households with dogs report not having had all their dogs immunized in the past 12 months.

Proportion of households who have had all their cats immunized in the past 12 months, RRFSS September - December 2007

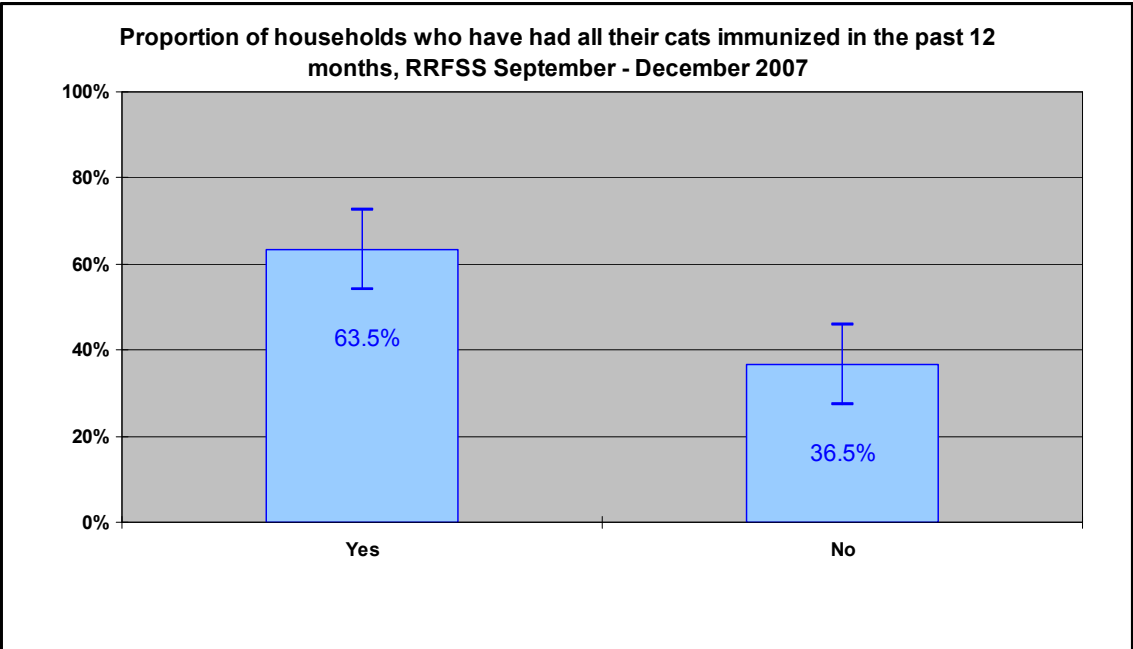

Table 2: Animal Immunization (cats)

Households with all cats immunized	Proportion	95% upper confidence limit	95% lower confidence limit
Yes	63.5%	72.8%	54.2%
No	36.5%	45.8%	27.2%

* Interpret with caution, high variability
 ** Data not released

sample size 104

Figure 2: Animal Immunization (cats)

Interpretation:

63.5% (+/-9%) of households with cats report having had all their cats immunized in the past 12 months.
 36.5% (+/-9%) of households with cats report not having had all their cats immunized in the past 12 months.

Limitations:

1. Questions only asked of adult residents aged 18+.
2. Telephone survey only conducted in English.
3. Results are based on self-reported behaviours.
4. (*) indicates that results are based on small sample size, thus estimates have high variability.

Notes:

- 1) The numbers in the tables and graphs are unweighted as this indicator was analysed at the household (rather than the individual) level.
 - 2) Missing responses are not included in the analysis.
 - 3) Don't know and refused responses are analyzed according to RRFSS analysis guideline.
 - 4) Release criteria of the data are according to RRFSS analysis guideline.
- * Interpret with caution, high variability.
** Data not released.
