| 11.5% | (+/- 5.6%) | adults (age 18+) did not know/refused to answer                                              |

**Limitations:**

1. Questions only asked of adult residents aged 18+
2. Telephone survey only conducted in English
3. Results are based on self-reported behaviors.
4. (\*) indicates that results are based on small sample size, thus estimates have high variability.

**Notes:**

- 1) The numbers in the tables and graphs are weighted.
- 2) Missing responses are not included in the analysis.
- 3) Don't know and refused responses are analyzed according to RRFSS analysis guideline.
- 4) Release criteria of the data is according to RRFSS analysis guideline.

\* Interpret with caution, high variability.

\*\* Data not released.
